

# 7 Ways to Repurpose Content: Exercise

In the center box, write down your most important piece of content in your practice. In the outer circles, use some of the ideas we've discussed to create new ideas for repurposing that key content.

The diagram consists of eight circles of equal size. One circle is positioned in the center, and the other seven are arranged around it in a circular pattern, with three on the left, three on the right, and one at the bottom. All circles are empty and intended for handwritten input.
