

UNCHARTED *Homecoming*

SOCIAL MEDIA SCAVENGER HUNT

It's time for the Uncharted Homecoming Social Media Scavenger Hunt!
Are you ready?! GOOD! Here is how to play:

Rule #1: HAVE FUN! We want to show the world our Uncharted Spirit! So tell us what you love about this weekend. Every prompt is worth a point and extra points will be awarded for creativity! There are special themes this year for our Homecoming celebration and in true Uncharted fashion, there will be surprises along the way.

FOUNDERS: There will be prizes if we see you helping the new Class of Uncharted members on this adventure...

Rule #2: Share your photos on Instagram! We will count your posts on Instagram for points. This means the ones that stay on your grid, NOT in your stories! Stories disappear after 24 hours - we're all about making some lifelong social media memories. But wait! Don't think those Instagram stories and Facebook posts don't count for something. The more active you are on social, the BETTER!

Rule #3: Use the hashtag **#unchartedapril** AND tag **@unchartedvet**. This will help the Uncharted team find your posts in the sea of social media shenanigans that are going to ensue. Don't get lost out there - use that hashtag in everything you share!

Also make sure your profile is **PUBLIC** for this event.
