

GREENVILLE SCAVENGER HUNT

It's time to say hello to Greenville! Take your team on this fun Scavenger Hunt to snap photos. Meet back in the Gold Ballroom when you're done!

- 1** **Silent Night...find the Palmetto Room where you will be able to have quiet work time or productive conversation time on Friday and take a photo being very, very quiet.**
- 2** **Take a video of a person on your team telling the rest of them a holiday dad joke - whoever laughs first chooses the location of the next photo!**
- 3** **Take your team to River Street Sweets and snap a photo with your favorite sweet treat...why not get a snack while you're here?**
- 4** **Go see the holiday window display at Mast General Store and snap a photo of your whole team.**
- 5** **5 Mice on Main! Can you find 5 of the Mice on Main St.? Make sure a different member of your team takes each of the photos with a mouse. Bonus if you find one in a holiday outfit.**
Hint: go left out of the Westin front door to find the mice...
- 6** **Did you know the Poinsettia made it's American debut here in Greenville? Stop and smell the flowers with your team. Take a photo with a Poinsettia!**
- 7** **This is your show! Go down to the TD Stage and do your best ringmaster impression. Snap a photo of the fiercest pose.**
If there is a performance on TD Stage, take a video of the team enjoying the show!
- 8** **O Christmas Tree! Find a Christmas Tree somewhere outside of the Gold Ballroom and take a photo of the person who is the most likely to end up on St. Nick's Nice List this year with the tree.**
- 9** **The most important prompt of all...dash to one of the secret bathrooms and snap a photo outside leading your team to victory!**
